

## **POLICY STATEMENT**

Where the College engages in sub-contracting of provision, it will take a share of the funding.

The College share of the core funding is for the following purposes

- management overheads
- quality assurance visits and checks
- general learner support provided by the College

The majority of the core funding is transferred to the sub-contractor where the majority of the costs of learning are incurred.

- The normal proportion of the core funding transferred to the subcontractor will be approximately 85%
- The normal College share of the funding will be approximately 15%

“Core funding” excludes

- bursary support which will be directly allocated by the College to the student,
- Higher Needs support or other support for specific learning needs which will be dealt with on a case-by-case basis. In such cases the funding will be allocated according to where the costs are incurred, whether with the sub-contractor, or the College, or jointly
