

Certificates

The College will write to students in November to invite them to an Awards Evening. Details of the date and location will be given in the letter. Students will sign for the collection of their certificates on this evening.

Students may give their consent for their certificates to be posted, accepting that this is done at their own risk. Consent can be given by emailing exams@s6f.org.uk

If a student cannot attend they may give written consent for someone else to collect their certificates, this needs to be done in advance by emailing exams@s6f.org.uk

Certificates that are not collected will be held at the College until 30/09/2021. After this time certificates that have not been collected will be returned to the exam boards. Students should note that the College does not retain copies of certificates and replacements can only be issued by the relevant exam board at a cost.
