## What does this policy affect?

This policy affects the delivery of subjects of GCE, GCSE, Btec and CACHE qualifications which contain a component(s) of non-examination assessment.

*The regulator's definition of an examination is very narrow and in effect any type of assessment that is not 'externally set and taken by candidates at the same time under controlled conditions' is classified as non-examination assessment (NEA). 'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA'.*

[Definition taken directly from the JCQ publication [Instructions for conducting non-examination assessments](#), Foreword]

This publication is further referred to in this policy as [NEA](#)

## Purpose of the policy

The purpose of this policy, as defined by JCQ, is to

- ▶ *cover procedures for planning and managing non-examination assessments*
- ▶ *define staff roles and responsibilities with respect to non-examination assessments*
- ▶ *manage risks associated with non-examination assessments*

The policy will cover all types of non-examination assessment.

[[NEA](#) 1]

## What are non-examination assessments?

This is explained in [NEA](#).

*Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.*

*There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:*

- *task setting;*
- *task taking;*
- *task marking.*
