

Dear Parent/Carer

We are really pleased to receive your son/daughter's application to join Scarborough Sixth Form College in August 2021. We focus on moving students from dependence to independence whilst they are at college however we communicate their progress regularly to parents/carers and welcome your input. Below is the admissions process for joining the college:

A postcard is sent to students acknowledging receipt of their application

Students are invited to a consultation to discuss their application and ensure their choices match their career goals

S6F Preview allows students to sample subjects and confirm they are happy with their chosen courses

Students will receive an invitation to an enrolment appointment in August to finalise their programme for Sept

We will stay in touch with both yourself and your son/daughter via email and letters throughout the admissions process. To view our Data Protection Policy and Privacy notice please visit <https://s6f.org.uk/about-s6f/policies-procedures>
