

Study Centre

What can we offer you?

We offer a range of academic support in order to assist you with your studying whilst at college, including:

Study skills

Mentoring in a variety of subjects

Small group work

**Revision sessions for GCSE
English and Maths**

**Friendly and approachable staff
who are literacy and numeracy
specialists**

**Or simply a quiet place to do
independent study...**

What is the Study Centre?

The Study Centre is a friendly study area, which is open to everyone.

It offers a space for you to work in groups in quiet discussion. Of course, you can always work individually in silence too.

We can also help you with your studies, either on a regular basis or a drop-in basis.

Resources

We have a wide range of resources to help you with your study:

A wide range of revision guides

Study guides

Reference material, dictionaries

And thesauruses

**Worksheets and past exam
papers**

Study planners

**Special equipment such as
laptops and Dictaphones**

How can it help me?

If you feel you need help with an issue such as essay writing, research skills or general literacy difficulties, which may be affecting your studies, we can help you with that too.

Alternatively, we can advise on how to best deal with your particular difficulties and point you in the right direction for you to get the help you need.

The successful student

Creates goals

Finds balance

Takes responsibility for their learning

Attends class

Participates

Develops a study plan

Uses family and friends for support

Who are we?

Our Learning Support Tutors are friendly and will help with any problems you may have but we also have specialist skills:

Literacy

Numeracy

Study skills/revision skills

Mentoring

Dyslexia assessments

Access arrangements

The Study Centre Team

RESOURCES AVAILABLE

Laptops: a portable computer to help you at home or in college. Use them to help you complete and format all your important notes, essays and homework. Some are available for home loan and some for in college use.

Alpha Neo Word Processors: these are easy-to-use portable notepads that are extremely useful for note taking and essay writing both at home and in the classroom. Any work done on them, can be easily downloaded onto a computer.

Dictaphones: These are very useful as a memory or revision aid. Use them when brainstorming coursework or revising for exams.

Memory sticks: Back up all your important work.
