

Results

October GCE exams – 16 December 2021 (8.00 am from the exams office)
November GCSE exams – 16 January 2020 (8.30 am from the exams office)

Summer exams – A levels and level 3 Btec – TBC
GCSE and Level 2 Btec – TBC

If you are unable to attend any results event and would like your results collected by someone else, the exams office needs prior written consent
(email exams@s6f.org.uk)

If you are likely to be absent for results days please let the exams staff and GSTs know so we can advise you on how to access your results.

For the summer A level/Level 3 results day, senior staff and GSTs will be available to advise and support students.

Uncollected results will usually be posted out the following week by second class post.

Post-results services

Students will be emailed a list of fees and services closer to the exam series. These will also be available on results days. All requests for post results services must be made via the exams office by submitting a Review of Results form and payment of the associated fees via Wise Pay.

There are different levels of reviews

1. Clerical check – checks all the script has been marked, checks the totalling and recording of marks
2. Review of marking – checks the mark scheme has been applied properly (not a complete remark), completes clerical checks (completed within 20 days of exam board's receipt of request).
3. Priority review – available for summer A level results (the review has to be completed within 15 days of the exam board's receipt of request).

For any reviews requested because a university place is dependent on the outcome, students should apply for a priority review.

Decisions can be appealed and further guidance is available from the exams office and in the College Appeals Policy (available on the College website).

The outcome of the reviews are emailed to students and relevant staff. It is preferable to use the students College email address.

Teaching staff may approach students about gaining access to copies of scripts for use in their future classes, students have to give written consent for this (or complete a form) indicating whether or not they would prefer their name to be redacted.
